

Cadets:

During the course of the 2011 Marshall ARMY ROTC Award Seminar you will have the opportunity to participate in a walking tour of historic Lexington or a walking tour of the VMI Post to include the VMI Museum and the George C. Marshall Museum. You will be asked your preference during registration.

If you are interested in civil war history, you might want to take the historic Lexington tour. For those that have an interest in military and diplomatic history of the 20th century, the VMI Post/Museum and Marshall Museum tour would be more enjoyable.

Please be thinking about which tour you would prefer.

To help you make your choice, please go to the Lexington Visitor Center website www.lexingtonvirginia.com to learn more about our beautiful and historic city.
